## **Conway Center Hosting ACA Update Forum July 17** *Sessions Set for Small and Mid-Size Companies*

*Columbus, Ohio* – One of the hottest topics in business management will be addressed next week when [The Conway Center for Family Business](#) hosts ***Handling Health Care Changes – An Update for Family Business*** on **July 17** at Ohio Dominican University in the Alumni Center Community Room.

Scott Rider, founder of Rider + Reinke Financial Group, and Ed Redder, a senior consultant with Findley Davies, will share the latest changes, updates and key provisions in the Affordable Care Act to help family-owned and led businesses make the most educated and financially prudent decisions for their own organizations.

Because the Affordable Care Act (ACA) has provisions which affect smaller employers differently than larger employers, the Conway Center will host two specially designed sessions:

- **8:30-10:00 a.m., for companies with less than 50 employees**
- **10:30 a.m.-noon, for companies with more than 50 employees.**

RSVP to Heather Howell at [Admin@FamilyBusinessCenter.com](mailto:Admin@FamilyBusinessCenter.com) or 614-253-4820. The program is free for Conway Center members and \$35 for non-members. Family business leaders attending for the first time may attend as a Conway Center guest.

###

The [Conway Center for Family Business](#) is Central Ohio's resource for educational programs, resources and networking opportunities to support the growth and success of family-owned businesses. The Center celebrates the successes of family-owned businesses at its annual awards program and offers peer group opportunities for next-generation leaders, family business leaders, and women family business owners. The organization includes more than 150 family-owned businesses from Central Ohio that collectively employ more than 10,000.
